

**POTENTIAL SITES
FOR THE
COLUSA COUNTY OFFICE OF EDUCATION
EDUCATION CENTER**

During the last six years, the County Office administrative staff have explored a number of potential sites for the new Education Center which will house Community School classrooms, Special Education classrooms, a multipurpose room and playing fields, administrative offices for all of the departments of the County Office, and later, an outdoor theater, and a state-of-the-art child development center for training in best quality practices for child care.

These sites included:

- Williams property behind Comfort Inn
- Old Pirelli Cable site
- Property on Highway 20 next to the Sunsweet plant
- Property on Highway 20 across from Orv's Country Store
- Property across from the Sheriff's Office and the Colusa Regional Medical Center
- Property near the new Health and Human Services/Mental Health building
- Old Colusa High School Building (Colusa Unified Offices)
- Old JCPenney building
- Property on Highway 20 that is part of the Vann Brothers land (various locations)
- Property near Otterson's development by the Golf Course
- The church and land on Wescott Road
- Building on Bridge St. strip mall that was the hardware store
- Block on Market St. that now has Tower Car Wash
- Butte View Racquet Club
- Property near the new California Highway Patrol complex in Williams

In addition to these larger sites, properties were considered for purchase or lease for the Community School:
